After much discussion, we have made what we feel is an exciting decision to turn Concert Choir and Vocal Ensemble into:

- 1) Bella Voce—an SSA treble-voice ensemble (pronounced VO-chay, which is Italian for “Beautiful Voice”)
- 2) Titan Choir—a TBB lower-voice ensemble

This exciting change is going to give students more targeted vocal instruction, more challenging repertoire, and a higher quality experience. We strongly believe in this change as supporting the best interest of students and their growth, and we are excited about the level of excellence these ensembles will reach. Please join us in welcoming Bella Voce and Titan Choir to the Tesoro Choir family!
